## Teacher Registry

As a service to teachers and school districts in Northern Indiana, the Division of Education at Indiana University South Bend has established a REGISTRY consisting of teachers in general and special education who desire to have their names available to school districts seeking qualified licensed teachers to fill vacancies.

Although school districts are required by law to prefer fully qualified applicants, there is no readily available system that allows them to conveniently locate appropriately licensed teachers to fill their vacancies.

Names of teachers listed in the REGISTRY will be made available to school districts that contact the service for assistance. All information supplied to the REGISTRY is considered confidential.

Participants assume responsibility for informing the REGISTRY of any change in their status. To register, mail the following information: name, street, city, state, zip, Social Security #, home phone, work phone, license name, license # to -

**Allen M. Parelius, Ed.D., REGISTRY Director**

# From the Past

## ISD History by Winona Alter

**1870** - CAIDD (Convention of American Instructors of the Deaf and Dumb) held its national convention in Indianapolis in August, 1870. More than 100 people attended - 21 superintendents and principals, 54 professors and teachers, 7 directors and others.

Harvey P. Peet, Issac Peet, Rev. Thomas Gallaudet and Edward Gallaudet helped lead the sessions (9 am - noon, 2 pm - 5 pm daily).

**1973** - The 46th Convention of American Instructors of the Deaf (CAID) was held in Indianapolis June 24 - 29, 1973, at the Stouffer's and Marott hotels. With the exception of the convention picnic, no CAID functions occurred on the ISD campus (due to the lack of air conditioning). This was the first occasion in history in which the Convention did not meet on the campus of a school for the Deaf.

## DHHS Survey Redux

The state's Deaf and Hard of hearing Section is conducting a survey in an effort to determine the number of TTY users in Indiana. In late spring the survey had already reached over 1,100 persons, but that's just scratching the surface! Fill out the survey included in today's CB if you have not already submitted one to DHHS, and pass a copy on to a friend as well. Return completed form to VIC.
